VERIFICATION OF BAPTISMAL INFORMATION

Baptism is the sacrament of initiation into our faith. In order to receive a sacrament, a person must first be baptized. St. Patrick must have a **copy of the Baptismal Certificate** of each youth for verification**. If one cannot be found in the parish or school files, you will be asked to provide a copy**. St. Patrick will contact the church of Baptism so that they may record his/her Confirmation as this is the way in which the church maintains official records. If you need a copy of a Baptismal Certificate, notify the church of baptism. **A Baptismal Certificate must be turned in/verified before your child will be enrolled into the St. Patrick Confirmation Program.**
